## WHAT GOES ON

We aim to create a safe, stimulating, high quality environment in which all children feel secure, happy and valued and where they can experience a wide variety of play opportunities

The children's ideas and suggestions are used in the planning of the activities.

## HOW CHILDREN GET TO AFTER SCHOOL CLUB

Teachers have a list of children which is updated regularly.

Reception children are taken from the classroom by a member of school staff.

Y1 & Y2 children come from their classroom into the hall or library.

## ACTIVITIES

The activities are varied and are designed to be attractive to all the age ranges that the club caters for.

They change daily to reflect the interest of the children. Here's just some of the things we do:
