Parents who block-book their sessions in advance, will be entitled to a 10% discount (this means booking sessions for a complete half term, by the first Friday of that half term).

All sessions booked after the first Friday of the half term, or on an ad hoc basis, will be charged at the full rate. A further 10% discount is available for sibling bookings.

You may be interested to know that you can pay for the Clifford Clubs using childcare voucher schemes such as Computershare and Fidelity; these schemes are usually set up between you and your employer and can save you substantial amounts in income tax (for further information please see Mrs Hudson or Mrs Lant in the school office).
